2 June 2026

To: Shareholders of iShares Diversified Commodity Swap UCITS ETF (ISIN: IE00BDFL4P12) (the "**Fund**"), a sub-fund of iShares VI plc (the "**Company**")

Dear Shareholder,

The Directors of the Company wish to advise you of an index provider-led change that will be made to the manner in which the Fund gains exposure to the Bloomberg Commodity Index (the "**Index**"). The unfunded total return swaps which the Fund uses to deliver a return reflecting the Index will switch from using the 3-Month US Treasury Bill ("**T-Bill**") to using the Secured Overnight Financing Rate ("**SOFR**") as the basis for calculating returns on cash collateral.

Rationale

Following the close of a public consultation conducted by Bloomberg Index Services Limited ("**BISL**"), BISL has decided to implement the change to the rate which it receives in exchange for the performance of the Index so as to more closely align the return on the collateral with the actual returns received.

The change outlined in this letter is anticipated to take effect on or around 16 June 2026 (the "**Effective Date**"), following a one-day transition,

switching the collateral rate from T-Bill to SOFR for certain commodity indices, including the Index.
