17 July 2026

To: Shareholders of iShares MSCI China Tech UCITS ETF (ISIN: IE000NFR7C63) (the "**Fund**"), a sub-fund of iShares IV plc (the "**Company**")

Dear Shareholder,

We are writing to you as a Shareholder in the above Fund.

The Directors of the Company wish to advise you of a change to German tax classification metric of the Fund as disclosed in the Company's prospectus (the "**Prospectus**").

Background and Rationale

The current minimum equity ratio of 40% for German tax purposes is being increased to 51%. This increase will allow the Fund to be classified as an equity fund for the purposes of the German Investment Tax Act. This change does not impact on the manner in which the Fund tracks its benchmark index.

The change outlined in this letter is anticipated to take effect on or around 31 July 2026 (the "**Effective Date**").

The change being made is not expected to have a material effect on the manner in which the Fund is managed.

Investors should consult their own tax advisers regarding the consequences of the change for their individual tax position.

Changes to the Fund's offering documents

It is anticipated that the Prospectus for the Fund will be updated to reflect the change to the equity ratio of the Fund on or around the Effective Date, or as soon as possible thereafter, subject to the approval of the Central Bank of Ireland.

The updated Prospectus will be available on www.ishares.com. It is not expected that there will be any change to the Synthetic Risk Reward Indicator or anticipated tracking error of the Fund.

Costs

BlackRock Asset Management Ireland Limited, as manager of the Company, will pay the costs of the shareholder notification, and any additional operational costs (excluding realignment costs) and legal costs related to the proposed change that would otherwise have been incurred by the Fund. Transaction costs associated with scheduled rebalances will continue to be borne by the Fund.

Further Information

You are not required to do anything as a result of this notification. If you have any queries concerning the changes outlined in this letter, please contact iShares on info@ishares.com, or your usual iShares representative.

Yours faithfully
